Principal's Message

Welcome Back!

As Staff at Red Wing Public School, we are excited to be back in school for the fall and looking forward to the 2022-23 school year ahead. I am very happy to be returning to Red Wing for my sixth year as Principal along with Mrs. Morley in the Vice- Principal position and our many other staff members by our sides.

The first couple days have shown us the smiles and excitement of our students in their return to classes as well. We all look forward to new learning and relationships that come with the new year.

As a school we will continue to work towards what we reference as “best practice” in our classrooms. As staff we continue to explore innovative and creative ways to help our students learn, while we continue on our learning journeys. Our students will have the opportunity to try new things in their classrooms and continue many traditional practices as well!

Students in grade 4-8 will have extracurricular opportunities including Cross Country Running (Gr. 4-8), Volleyball (Gr. 5-8) and Student Leadership Council (Gr. 7 and 8) in the weeks to come! We strongly encourage our students to become involved in order to fully enjoy their school experience.

As parents/guardians we hope that you will stay in contact with us at the school. One of our goals is to increase communication with families this year. We hope that families will use Edsby messaging to communicate with teachers when phone calls or personal visits are not available or the best choice. With Edsby as our sole online platform we will share news, events and celebrations in the building. We will also be using Edsby to allow for parents to view assessment results from teachers to be updated on a regular basis. This will provide ongoing feedback for students and their families on academic achievement throughout the school year and not just at report card times. That being said we hope that all families will sign on with Edsby so that they may fully enjoy the benefits of the platform. There are instructions on how to get started, or increase your familiarity with the program, later in this newsletter.

Thank you again for allowing us to work with your child(ren) again this year, we do appreciate the trust you put in us to do so.

G. McGregor

MEET OUR NEW STAFF

After 15 years our school has a new Librarian this year, welcome Leann!!

Hello, I am Leann Chester and will be the new Librarian at Red Wing this year. I am looking forward to being a part of this amazing school and meeting all of the students and staff.

I am married and have three children and a crazy dog named Bella!!! I love books, reading, and traveling, especially to the lake in the summer!! I am super friendly and love library visits from students. I'm excited to meet and get to know all of you!!

My name is Angela Reinbrecht. I will be the new School Social Worker this fall at Red Wing School. I have worked for the school division in this role for the past fifteen years in various schools. In my role I provide support to students and families in accessing community services, as well as supporting students' social and emotional needs within the school setting. I look forward to getting to know the staff and students of Red Wing.

When I am not at work you will find me spending time with my family. We enjoy camping, hiking, paddle boarding, snowshoeing and pretty much any outdoor activity. If I have a moment to relax between running around with my girls and husband I like to curl up to read a good book with a cozy blanket and warm cup of tea

My name is Brette Korpan and I will be teaching grade 4! I have recently completed my Bachelors of Education at the University of Saskatchewan.

Before this school year I spent some time teaching grade 5/6.

Besides teaching, I enjoy taking my dog Willy for walks and spending time with my family and friends. I am so excited to be joining the community at Red Wing School and can't wait to meet you all!

Casey Ling is excited to be teaching the Prairie Winds Band Program at Red Wing, Spruce Home, and Christopher Lake schools. After graduating with a Bachelors of Music from the University of Lethbridge in 2019, Casey worked as a youth worker in the social services sector, initially running a drop in music studio for vulnerable youth.

After graduating from the University of Regina with a Bachelors of Education, Casey is excited to continue his passion of sharing music with youth and students. When not at school Casey can be found at home watching crime documentaries with his girlfriend while attempting to stop their cat from scratching the furniture!

Hello Red Wing! My name is Jessica Pocha and I am the new grade 7/8 teacher. I am so excited to be joining the Rockets this year! I was born and raised in the Prince Albert area. I graduated from SUNTEP in Prince Albert and this will be my seventh year of teaching.

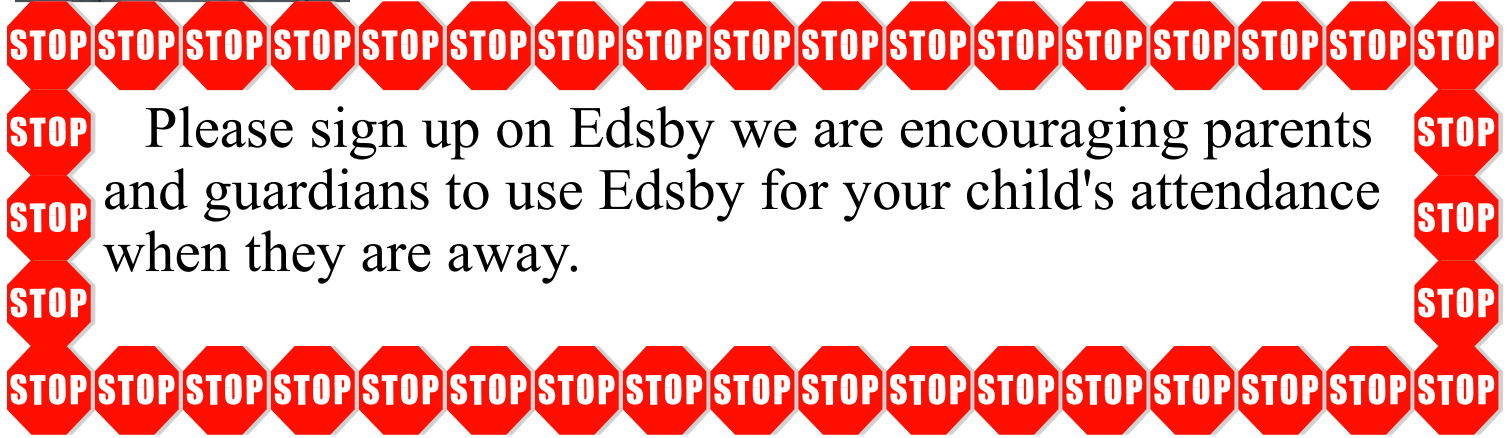

When I am not teaching, you can find me with my two fur babies, Jax and Zoey.

I am excited to be a part of Red Wing and looking forward to an awesome year and getting to know all of you!

Hi my name is Aimee Lavoie I am the new Educational Associate at Red Wing Public School. I'm so excited to be working at this beautiful school this year, and getting to know the staff , students and their family members of the students.

When I'm not at school I love to be outside with all my animals, family and friends sitting around the fire under the stars.

Please sign up on Edsby we are encouraging parents and guardians to use Edsby for your child's attendance when they are away.

Edsby Communication Platform

Dear Parents and Guardians,

Saskatchewan Rivers Public School Division is using Edsby as a communication tool and learning management system. Edsby keeps everything safe and secure within the confines of our school division. If you would like to learn more about Edsby security, there is a lot of information here: <https://www.edsby.com/privacy-policy/> Edsby makes it easy for parents to observe all of the wonderful things that are happening in our classroom. From time to time, we will post grades, notes, pictures, videos, or audio clips of your child learning at school. This will help you see the progress your child is making in their learning journey.

This week you should have received an email invitation from Edsby. It will contain the link you will need to create your new account or connect additional children to your existing account. This 2-minute video is very helpful: <https://tinyurl.com/mr26cv4b>

For a step-by-step explanation on how to start exploring the use of the Edsby platform, or if you are a returning user experiencing difficulties please click on the link below:

[Step by Step Edsby Instructions](https://rw.srsd119.ca/) available at <https://rw.srsd119.ca/>

Topics Include:

- **Submitting student absences**
- **Managing your notifications**
- **Communicating with your child's teachers**
- **Viewing your child's Grades and Assignments**
- **Edsby Privacy Policy**

If you have any questions or concerns, please feel free to contact the office at the school
