## Principal's Message

I hope you are all enjoying the fall weather and activities as much as I am right now! October is such a great time of year. It is so nice to see our students playing on the playground on a daily basis and I am lucky enough to see many of them also enjoying leisure time on sports fields, gyms and in the arenas as well!

Heading in to October one of our non-academic focal points is our school's annual fundraiser, the Walkathon! Historically this event has been VERY well supported by everyone in our school community and we hope our students have been working hard in recent weeks reaching out either in person, over phone or even social media to get support for our school! This year's **Walkathon will take place on Wednesday, Oct. 5<sup>th</sup> at 1:00pm.**

The Walkathon helps us provide "enriching" experiences to our students at no extra cost to our families through out the year. These enriching experiences may include things like; transportation for all school related events (busing kids to events is expensive!), attending live drama performances at E.A. Rawlinson Center of the Arts, bringing in outside presenters and performers and supporting our sports teams with uniforms and registrations for their sports. Often, we will also commit Walkathon raised monies to projects at the school like the outdoor classroom, (comfy!) student furniture in the hallway, classrooms and library and even new pieces of playground equipment like the ones purchased last year.

In the end we hope that all families in the school can contribute even a little to our goals this year which include further development of our outdoor classroom, bringing in outside presenters/entertainers, travel to many things outside our building and support of our teams and clubs!

In addition to Walkathon, we are very happy to be working with our Red Wing SCC to host our first dance since 2020! **The Halloween Dance will take place Friday, October 28<sup>th</sup>.** For those who have not taken part in the past we will have a professional DJ playing music, a full canteen available and students (and parents!) are encouraged to come dressed in costume!!! Details on the dance can be found later in this newsletter and we hope to see many of our families out in support of this event.

On behalf of the staff at the school I sincerely hope your child's startup has been as great as ours has, let's keep it going all year!

Finally, as some of our families are still involved in harvest this time of year. Please take care as you get the crops off and make sure you get home safe!

G. McGregor
