CHRISTMAS BREAK

## PRINCIPALS MESSAGE

Winter weather has finally arrived! With it the opportunity for our students to play in an entirely different way in and outside the school! we look forward to the building of snow forts and games of snow soccer (Red Wing World Cup!) in the months to come.

While snow also brings the prospect of play it also brings about the need to shovel! One person who is now done with that responsibility is Mrs. Lorenzen! As mentioned last month Mrs. Lorenzen's last day before retirement was Nov. 30<sup>th</sup>, she is presumably enjoying a coffee at home today or on her way for a ride with her horse! With that change we are getting to know Mr. Ksyniuk in his role at Red Wing, we know the Red Wing Community will welcome him into our school in the weeks and months to come.

This month we are excited to be able to share a **LIVE Christmas Concert** for our Kindergarten to Grade 4 students with our school community for the first time since 2019! The performance will take place in the Carlton High School Cafetorium at 6:30pm on Dec. 15<sup>th</sup>. We will have seating for all who would like to attend and welcome all family and friends of our school to take in this event. There will be more details made available in the coming weeks for those students taking part. We are also excited to be able to share that the Prairie Winds Band Program will be producing a recorded Christmas Concert of all students in Prairie Winds Band. This recording will take place during the school day and will be made available to all students and their families to enjoy. In the future, it is our plan to offer in person performances by this group but at this time we felt it was best to provide a recorded performance by the students.

Our SLC has been busy lately! They organized a VERY successful food drive in November which saw an incredible amount of food provided to the PA Food Bank and in December they have organized the 12 Days of Christmas for the enjoyment of our students! Please assist your child in taking part in the spirit days whenever possible!!

Basketball season at Red Wing will get rolling in December, we had 56 students in Gr. 5-8 sign up to play on a basketball team this year! The students will take part in the P4A Season starting in January and in the meantime they will practice and prepare for the season with their assigned teams (teams to be announced ASAP).

Finally, we received word earlier this week that our Director of Education, Robert Bratvold will be retiring in the summer of 2023. Mr. Bratvold's time with SRPSD has been one of growth and resiliency for our division as he has led us through many challenges and changes throughout his tenure. Please join me in thanking Mr. Bratvold for his leadership, and wish him all the best in his future endeavors.

On behalf of the Red Wing PS Staff; have a fantastic holiday season with your families and friends!

G. McGregor
