Principal's Message

Happy Fall everyone!! What a fantastic September/October it was! We have had unbelievable weather since school began and hopefully we can keep it going into winter!

I would like to take the opportunity to thank our entire school community for their tremendous support of this year's Walkathon. The money donated is truly appreciated by all of us in the school as we continue to use it to provide enriching educational opportunities and school development beyond what our regular budget would allow.

As in previous years the plan for this money will be to continue offering students our traditional experiences outside the school including: Broadway North Theatre production, Wapiti Ski Valley, winter swim experience, busing and associated costs for all classroom excursions as well. We will also continue to fund our school sports teams participation in P4A events throughout the year. Beyond our traditional plans for Walkathon funds we will also look for additional ways to enhance the environment around the school itself as well.

The outdoor classroom continues to progress as we added garden boxes this year and next year will plan to have our fruit trees and shrubbery in place in the next phase of our plan. The upgrades to the playground had higher costs than initially considered and so some money from this year's Walkathon will also be used to support the cost overruns on that project.

Going into November we know that winter is coming and with that most of us come to the realization that we will need to shovel or blow snow for the next 5 or so months. One person who will not have that burden at the school this winter is our very own Mrs. Lorenzen. **On November 30th we will wish Mrs. Lorenzen a Happy Retirement** as she prepares to sit back, relax and let someone else move the snow around this winter!!! We would like to thank Mrs. Lorenzen for her many years as the Caretaker at Red Wing, dating back longer than most of our current staff members and longer than any of our students have been alive! Mrs. Lorenzen's replacement will be veteran Caretaker Perry Ksyniuk who comes to us from John Diefenbaker Public School in Prince Albert. We welcome Mr. Ksyniuk to our Red Wing family and hope he enjoys his time here with us.

November also brings with it our first chance to meet families regarding student achievement with the approach of our Progress Conferences on November 3rd. Our teachers look forward to meeting parents/guardians and their children at their appointed time between 3:30-8:30pm. If you are unsure as to your appointed time please contact your child's teacher or the office.

As part of our acknowledgement for our Veteran's service we will host a Remembrance Day Ceremony at the school which we will gladly welcome community and family members to attend with us. The date for the ceremony has not yet been set as we are waiting for availability of Veterans to attend with us but that information will be shared as soon as possible.

Have a great November everyone!

Rocket Volleyball 2022

This year we have had 4 teams of students competing in the P4A leagues. The students have been working hard with their coaches to improve individual and team play. Our Sr. and Jr. teams will compete in the P4A Extravaganza Playoffs in November with the hopes of adding another banner to our gym!

During the month of October, the SLC has been working hard to help out around the school. Two SLC members, Austin and Cutler, made a video showing how Red Wing recognized Orange Shirt Day on September 30. The SLC helped set up the gym for our Math Assembly on October 17 and quite a few also were leaders during the assembly. We had 2 Spirit Days in October. It was great to see so many students participate during Crazy Hair Day and Jersey Day. The SLC also had an opportunity to go to Cartier Farms. They did an amazing job working with each other and the horses.

We are busy making plans for November and December. We will be doing a food drive from November 15th to the 25th to help support our Food Bank. Please send any non-perishable items to your child's classroom, so we can help our bigger community. Look for our 12 Days of Christmas and some fundraising in December.

The Prince Albert Lions Club sponsors Operation Red Nose in Prince Albert. The program is an annual December campaign to reduce impaired driving. It provides a free volunteer-based, designated driver service, which caters to all motorists who are impaired or who do not feel fit to drive their own vehicle. It provides patrons a safe, confidential ride in their own vehicle without getting behind the wheel themselves-and it's free. All volunteer teams-made up of an escort driver, designated driver and navigator-as well as all other volunteers, undergo a police background check and are insured for liability by our provincial sponsor the SGI. In 2017 we provided 302 rides to clients who got home safely.

The Prince Albert Lions Club has been operating the program, with the help of community volunteers for eight years. The program operates on Friday and Saturday evenings from the end of November through to New Year's Eve. In 2018 we will begin operating on November 30th and run for 5 weekends plus New Year's Eve. We start around 9 pm in the evening and usually run until 3 am the next morning. New Year's tends to run a bit later due to house parties.

Although the service is free, clients provide donations, which under the provisions of the Operation Red Nose Program must be allocated to youth groups or groups that support youth in Prince Albert and area. The Prince Albert Lions Club has selected area schools as the recipients of these donations to assist with programing for students. As a result of our 2017 season, \$7,200 was donated to 12 schools in the area.

Since Operation Red Nose depends on volunteers from the community to run a successful campaign, we are challenging the schools to put together teams of volunteers to assist us in delivering a successful campaign over the coming season. Escort vehicles are provided by dealerships in the city so there is no need to use your own car.

The volunteers can choose to work one night, a weekend or the whole season. We find News Year Eve is one of our busiest nights. Volunteers are provided with food, coffee and camaraderie during the evenings they work.

If you are interested in helping out with Operation Red Nose, please contact me at (306)763-7434, (306)425-7804(cell) or by email at rbraaten@sasktel.net. If you want to discuss the program I am available to come and talk to you about it.
