Principal's Message

The month of February always brings about the realization that we are only about halfway through a Saskatchewan winter. That being said we are enjoying one of the nicest winters in memory. February also brings about a special reminder in our year from start to end that we always try to live by; the message of kindness, caring and respect for all by celebrating Pink Shirt Day.

On February 14th Red Wing Public School will acknowledge two occasions on one day; **Valentine's Day** AND **Pink Shirt Day**! On this day we welcome any and all students to wear Red, Pink or BOTH in acknowledgment of the two occasions at once!!

The SLC will have activities prepared for the students in support of the common theme between the two celebrations, centered on caring for all and kindness towards others. As a school the students will have reminders as part of their classes tied to the messages above as well.

Later in this newsletter you will see information about a **Pink Shirt** exchange program the school is offering this year. Background includes that a number of years ago the school and SCC purchased pink shirts for each student in the school. During our last SCC meeting we discussed the possibility that many of those shirts may have outgrown the intended student and may just be sitting in drawer somewhere! With that in mind we are welcoming the return of any of your older pink shirts that families may no longer have use for. The school will prepare the shirts and then offer them to other students in the school so they can be further enjoyed!!

Later in the month we hope all of our families will enjoy the winter break from February 18th-26th. The month of February will also see the conclusion of our Basketball seasons. As mentioned last month we have 6 teams participating in the P4A this year and all have been doing very well.

Thank you to all of those families who are able to be in the crowd cheering the students on, we all enjoy seeing you there when you are able to attend.

We plan on having spirit activities in place for this day which connect the two events!!

If families have **Pink Shirts** from years past that they would like to pass on to other families in our school please send them to us by **Monday**, **Feb.** 6th. The school will wash and redistribute to other students in our school!
