## Principal's Message

What a fantastic September we are saying good bye to as we work our way into the month of BOO! Students have returned to the school this fall with energy and spring in their steps, as have the staff!! The first few weeks of the year have been filled with getting to know new classmates and teachers while connecting with those who we may have known for many years as well.

Students at Red Wing PS are working hard towards their academic goals, with a central focus on reading this year. Our teachers are learning about new methods of teaching and reinforcing good reading strategies. Our end goal will be to help our students towards having a great capacity for all elements of education.

September also saw our school highlight the Calls to Action of the Truth and Reconciliation Commission through our celebration of Orange Shirt Day. We had a wonderful assembly on Friday, Sept. 29<sup>th</sup> with student and staff presentations as a kick off to our continued journey towards understanding the Calls to Action.

October will see our school Walkathon take place on the 4<sup>th</sup> in support of the many things it provides for at Red Wing during the year. Last year we were able to add 4 new pieces of playground equipment at a total cost of over \$16,000 just with Walkathon money. This is over and above the money used to buy new volleyball jerseys for our boys and girls teams. We also fully supported ALL student travel to class trips and other outings, registration for sports teams and our attendance at the wonderful Broadway North Theatre Company's performance in 2022. This year we also plan to attend their performance of The Little Mermaid for all students in K-4! Older students will also enjoy the opportunity to travel to Wapiti Ski Valley for our annual trip in late winter.

Many of these opportunities would not be possible without the community's fantastic support of the Walkathon. With that, we urge our students to get out and collect pledges by foot, phone and even social media. This year's money will also go to support our Library refresh, our hopes are to buy some new furniture to support comfortable work and reading environment in our school. Further encouragement to take part may come in the form of our many prizes and incentives that the school and our staff present. Besides our weekly draws we also have our grand prizes and incentives put forward by our staff, including a dunk tank this year!?

In October we will also look forward to our SCCs Annual Halloween Dance on Oct. 27<sup>th</sup> (more information later in the newsletter). The dance aids the SCC in supporting student learning and experiences in our school as well. This year be sure to check out our "Haunted House" and music by Maxwell Music of Prince Albert. Families are welcome to attend and we hope to see you there!

Finally, although much of the harvest has been taken off already this year I always like to mention to please be safe in the fields if you are involved with harvest at all. Please come home safe!!!

Have a great fall, see you all soon

G. McGregor

# Dance WITH US

The Prince Albert Barveenok Ukrainian Dancers is a non-profit Ukrainian dance club founded in 1971 in Prince Albert, Saskatchewan. The group's goal is to preserve and promote Ukrainian culture through traditional dance performances. Over the years, the group has grown to include dancers of all ages and has become a fixture in the local community, performing at various events and festivals throughout Saskatchewan and beyond. The group was inducted into the Prince Albert Arts Hall of fame in 2020 and has also won numerous awards and accolades for their performances. The Prince Albert Barveenok Ukrainian Dancers continue to thrive today, carrying on the tradition of Ukrainian dance and culture for future generations.
