PRINCIPALS MESSAGE

April is upon us and with it the Easter Break and a true changing of the seasons! The playground is currently a bumpy skating rink but we are hopeful that it will thaw out and dry up over the upcoming time away from school.

We would like to officially welcome a new family to our school; The Plakhotniuk's this family has emigrated from their home in the Ukraine after having spent time in three different countries along the way! The 6 children new to our school range in grades from Kindergarten to Gr. 7 and have truly brought out the best in our students and school community. The helpful, and thoughtful nature of our students is helping the new students adjust to new language, culture and of course, school! So far we have received donations of clothing, shoes/boots and even a gift card from the Real Canadian Superstore to gift the family. We are not actively seeking out donations but if you have items you would like to pass on please feel free to contact me and I will facilitate making sure donations get to the right place.

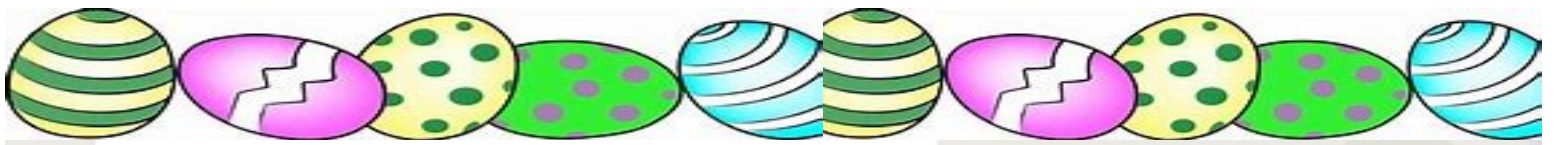

Many students have been “Caught being Courageous” over the past few weeks as we continue to promote the 4 sectors of the Circle of Courage. Our goals of mastery, belonging, generosity and independence for our students underlies many things taking place at Red Wing PS ranging from the daily Morning Meeting to volunteerism and mentoring within the school itself. All the while our students strive for mastery in their daily academic and physical work.

Finally, our annual time at NRRC Arena wraps up this final week in March and we would like to again thank the NRRC Board for continuing to support our use of the facility and of course the Red Wing SCC for the donation of skate trainers this winter. Both were integral in allowing us to support our students taking part in a truly Canadian activity!

On behalf of our staff at Red Wing PS we hope you enjoy the Easter Break, from here on out the school year will fly by and before we know it summer will be here! Enjoy the time with family and friends and as always, get outside!!!

WAYS TO STAY SAFE TRAVELING TO AND FROM SCHOOL

1

Recognize Safe Adults

Teach your children to recognize safe adults such as teachers, staff, and other parents to go to if they need help. Remind them not to accept gifts or go anywhere with someone they do not know

2

Walk in a Group

Encourage you child to walk or bike to school with friends or in groups. There is safety in numbers. Consider organizing a walking school bus for younger students.

3

Traffic Safety

Remind your child to follow all traffic rules. Use designated crosswalks, obey traffic signals, and never dash out onto the street. Be alert in parking lots and around vehicles. If your child has their license please remind them to put their cell phones away while driving.

4

Bullying Prevention

Encourage your child to talk to you or a trusted adult if they feel they are being bullied or witness bullying. Talk to them about the importance of reporting such incidents to school staff as soon as possible when appropriate.
