Principal's Message

As we enter our second last month of the school year there is much to be thankful for. The sun is shining, canceled bus days should be in the past (for this school year), and we hope the remainder of our school year is full of enriching learning experiences and fun opportunities for our students and staff.

The last few months of school have been admittedly difficult for everyone. Most importantly the students we work for everyday are worth all the work and commitment we, as staff, try to show them every day. Thank you for trusting us with the welfare of your children, it is a responsibility we do not take lightly.

With each spring comes the reality that change is inevitable. With that I am a little sad to share with all of you that the time has come for me to move on as an Administrator to another role within SRPSD. Starting in August I will move into a Vice-Principalship at Carlton Comprehensive Public High School in Prince Albert. This is a move that takes me back into the High School realm, where I have spent the majority of my 25 year career as an educator. I have cherished my 7 years here at Red Wing as I have had the joy to watch your children grow up and grow into their role as students. I have learned as much from them as they may have gotten from me along the way and I consider myself privileged to have done so in this building. I have done my best to help guide our school in the right direction as an inclusive, progressive school in our lovely school community. Thank you for all you have done to support me and our school during this time.

The school is in good hands! Mr. Dwayne Tournier will be the new Principal in the fall, and I know he brings a depth of experience and creativity into the building. Mr. Tournier has provided a short intro for the school which can be found in this newsletter. He will work with our Vice-Principal, Mrs. Morley, as the leaders of our school and continue the wonderful work we have been doing.

I look forward to seeing each of you and your kids in the community and eventually at Carlton where I hope they will always feel comfortable coming up and saying hi, or coming to me should they need to see a familiar face or support of any kind. I hope they know they will always be “my kids” and I look forward to seeing you all in the future.

More staffing changes may occur in the coming weeks, our staff should be set by the end of May and so any further announcements will be shared in the June newsletter.

Sincerely,
G. McGregor

Dear Red Wing School Staff and Community,

I hope this letter finds you all well. My name is Dwayne Tournier, and I am thrilled to introduce myself as the new Principal of Red Wing School. I am eager to become a part of this wonderful community and to work alongside each of you in fostering an environment where every student can thrive and reach their full potential.

Allow me to share a little about myself and my family. I am married to a remarkable woman named Joanne, who also serves as a principal within our school division. Together, we are blessed with twins, a daughter named Caleigh and a son named Aidan, who are both 15 years old and currently attending grade 10 at Carlton High School. Family is incredibly important to us, and we cherish the time we spend together, especially during our summers

at our cabin at Emma Lake. Whether it's beaching, pontoon boating, biking, or simply enjoying the warmth of a bonfire, these moments create memories that we hold dear. Even in the winter, our cabin provides a cozy retreat where we skate, curl, and embrace the beauty of the season.

Professionally, I bring 23 years of experience in education within the Saskatchewan Rivers Public School Division. My journey began as a teacher at Spruce Home School, where I spent five rewarding years before transitioning to Riverside Community School, where I served as both a teacher and Vice Principal for another five years. My passion for educational leadership led me to Shellbrook Elementary Public School, where I proudly served as Principal for eight years. Subsequently, I had the privilege of leading WJB School as Principal for five years before embarking on this new chapter at Red Wing School.

I am genuinely excited about the opportunity to learn about Red Wing School and the incredible individuals who contribute to its success. I firmly believe that education is a collaborative effort that requires the dedication and commitment of teachers, staff, students, parents, and the wider community. Together, I am confident that we can continue to create a nurturing and inclusive environment where every student feels valued, supported, and inspired to excel.

As we embark on this journey together, I am eager to meet each of you and to work collaboratively in pursuit of our shared goals. Please feel free to reach out to me with any questions, ideas, or concerns you may have. My door is always open, and I am here to support you in any way that I can.

Thank you for the warm welcome, and I look forward to getting to know each of you better in the coming days.

Warm regards,

Dwayne Tournier
