## Principal's Message

This is it, the last one! Not only the last newsletter of the year but the last opportunity I will have to share thoughts on our school regarding the past 7 years and the future for you all going forward!

Since I arrived 7 years ago we have seen changes in the physical appearance and structure of our building, these changes have been made in support of new approaches to learning in the world of Education. New learning spaces in our existing building which allow students to work comfortably and as independent learners and the tools needed to get the most out of them in an inclusive and safe setting. These changes include new procedures in the continual development of how we educate children along the way. Like all professions, education is progressive and constantly evolving towards the "best practice" of helping children achieve their full potential.

Our staff have continued to evolve in their methodologies and practices as well, towards what science shows us are the best ways for students to learn. We apply these practices along with our own experiences as professionals for the best learning environment for the students of Red Wing Public School. We continue to be thankful for the support of SRPSD leadership in assisting us towards these new practices.

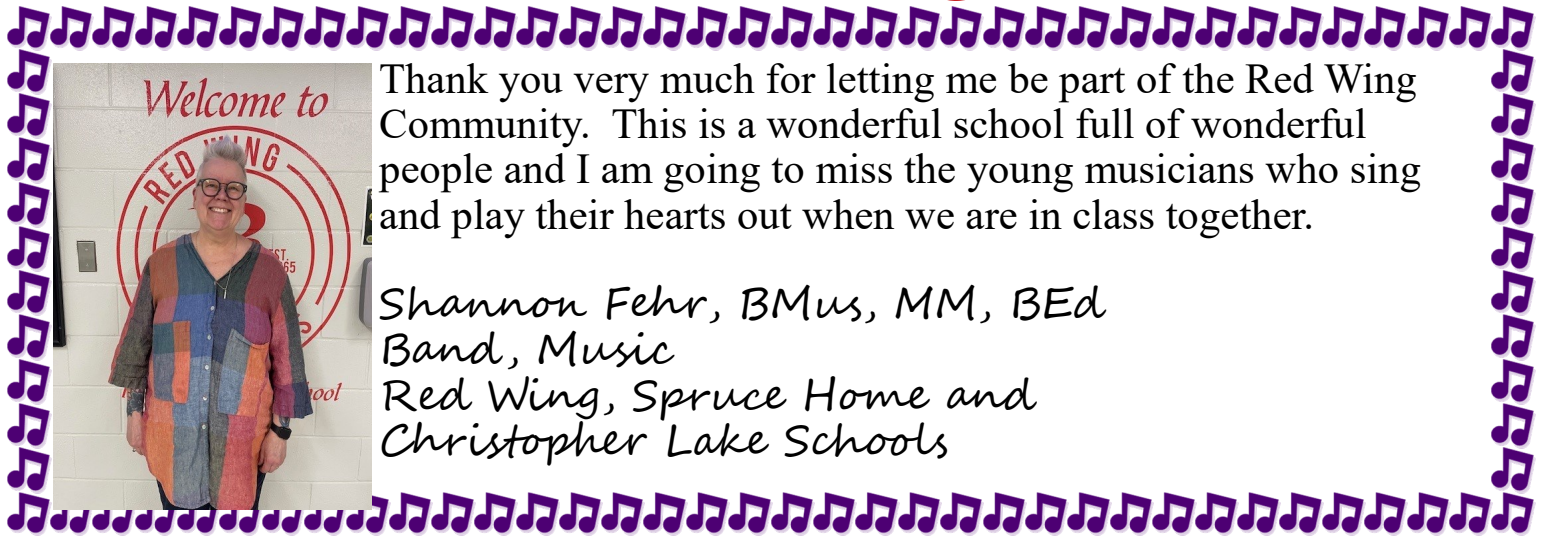

I would be remiss not to thank the school community for the support of every school initiative we have ever promoted! The Red Wing Walkathon is truly an amazing display of community support and I look forward to hearing of a \$30,000 total in the coming years, as I know you will get there!!! Our SCC has always been a strong voice for the school community and I am thankful for their participation as well. Finally, I would like to thank all the students who have challenged me, supported me and made me smile on a daily bases and of course the many staff members who have been part of our journey here together.

As your children continue through their K-12 journey this school will serve them well in their development and I hope to see you all someday soon in the halls of Carlton, or some other SRPSD high school.

Take care,  
Graham McGregor

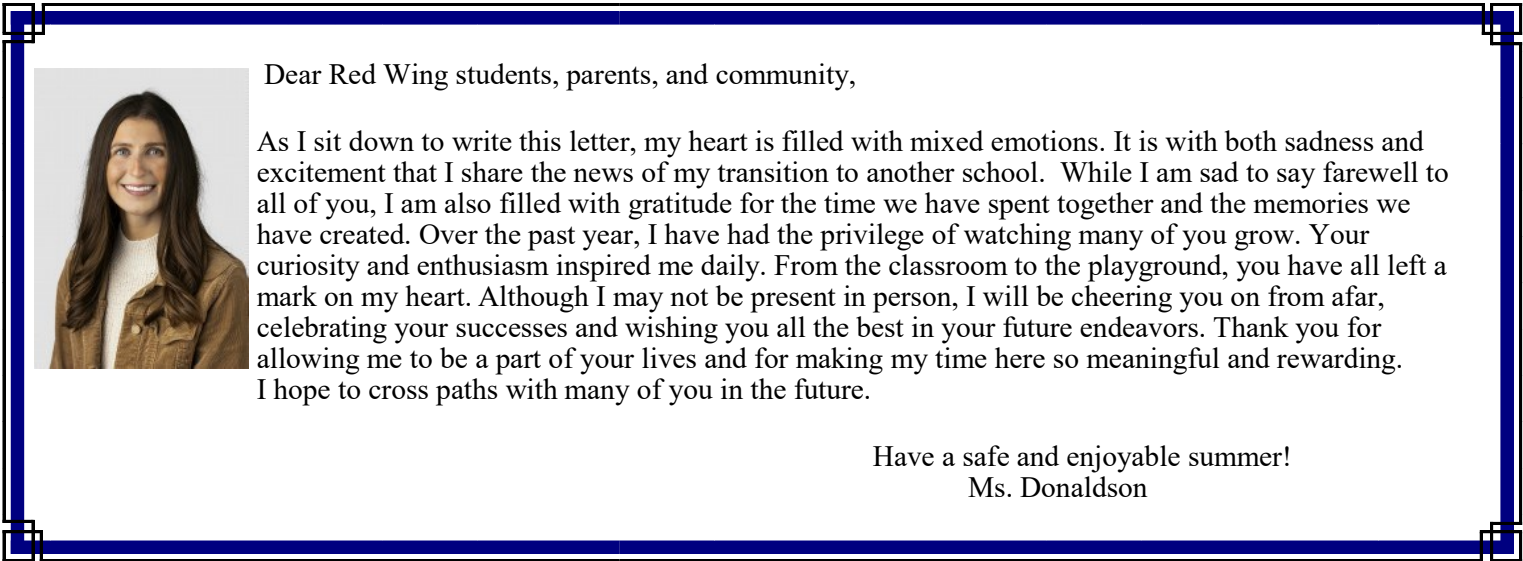

# Farewell

Thank you very much for letting me be part of the Red Wing Community. This is a wonderful school full of wonderful people and I am going to miss the young musicians who sing and play their hearts out when we are in class together.

Dear Red Wing students, parents, and community,

As I sit down to write this letter, my heart is filled with mixed emotions. It is with both sadness and excitement that I share the news of my transition to another school. While I am sad to say farewell to all of you, I am also filled with gratitude for the time we have spent together and the memories we have created. Over the past year, I have had the privilege of watching many of you grow. Your curiosity and enthusiasm inspired me daily. From the classroom to the playground, you have all left a mark on my heart. Although I may not be present in person, I will be cheering you on from afar, celebrating your successes and wishing you all the best in your future endeavors. Thank you for allowing me to be a part of your lives and for making my time here so meaningful and rewarding. I hope to cross paths with many of you in the future.

Have a safe and enjoyable summer!  
Ms. Donaldson

Dear Red Wing School Families,

As the school year comes to a close, I want to express my deep gratitude for the incredible experience I've had at Red Wing School. I was lucky enough to spend my internship here in the fall, and it was a privilege to come back and finish the school year alongside the amazing students, families, and staff. The kind and enthusiastic students, the dedication of the staff, and the supportive involvement of the families have made this time unforgettable. I am excited about my future opportunity at École Vickers School this coming fall but will always cherish the memories and connections made here. Thank you for making my time at Red Wing so special, and I hope our paths will cross again in the future! Have a great summer holiday!

Great job girls!!

## Important Information About the School Bus

Any students needing the school bus this fall must be registered. It only takes 2 to 3 minutes and is very easy to do! Registrations do not have to be done every year, but a student must be re-registered if their information (such as school, address or contact info) is changing. If you are not sure if you already have registered, please give us a call at the number below or simply register again. Doing so now will ensure your child is placed on the proper bus for the first day of school. Not registering on time could delay having your child assigned a bus several days into the new school year.

Click here <https://www3.srsd119.ca/busgarage/transport/request.php> or you can simply type "Sask Rivers School Division" or "SRSD119" in a search engine (we recommend Google). Scrolling down you should find the "Transportation" section with some helpful tools like a bus notification set up and, of course, the "School Busing Request Form".

If you have any questions please contact the Transportation Department at 306 763-2323.

Thank you,  
Ryan Bruce, Manager of Transportation

Some of the highlights this year are that we have a student studying art in Paris right now, many students that have gone away for schooling and are now back in Prince Albert in the adult art classes, and that we have a 20th year art student!! We have had so many students go on to Emily Carr University of Art & Design and I have written so many reference letters & helped with student's portfolios to enter into their chosen careers. This year we've been studying Emily Carr & all of the students have been working on a collaborative 3X4 foot rendition painting of hers!

If you have any other questions about the classes or how this adds to their educational experience, please feel free to contact me! Thanks again!

# 2024 Carlton Crusader Sport Camp August 26th and 27th

The Carlton Crusaders are pleased to host our annual Crusader Sport Camp this summer! We will offer sessions in Basketball, Badminton, and Volleyball. Athletes will attend two sessions for each sport, and sessions will be organized by grade level to ensure each athlete has the best possible experience! Students who will be in grades 6 – 9 in the 2024-2025 school year are welcome to sign up for one, two, or all three sports. Please see the Sport Camp Itinerary on the back of this letter for specific times.

Crusader Sport Camp Instructors will include current Crusader Coaches and Crusader Alumni. Each athlete will receive a Crusader Sport Camp T-shirt on the first day of camp.

On August 12th you will receive a confirmation email, which will finalize session grouping and times, t-shirt sizing, and other important camp details. Adjustments to camp structure and organization may be necessary depending on the number of registrants in each grade.

Registration will be open 20 minutes prior to the start of each sport session. The sign in table will be located in the CPAC lobby. Athletes attending Camp the entire day are welcome to bring lunch and eat at Carlton. Coaches will be supervising the lobby of CPAC from 11:30am – 12:30pm daily. We encourage each athlete to bring a water bottle with their name clearly labeled on it. We are hoping the weather will be nice so hydration will be extremely important!

To register for this summer's camp, please complete the online form and pay at the Carlton General Office before June 23rd. Any payments after June 23rd will be paid when your child checks in at Registration. Cheques should be made payable to Carlton Comprehensive High School.
