## Principal's Message

Well, here we are, the last one...

Normally, my chance to address this group is used to brag about the great things going on in our school and celebrate our successes. With this last message to you I simply want to say thank you.

The Red Wing SCC and extended school community have been a big part of my life for the past 7 years. Our experiences together have helped me grow personally and professionally and I hope you realize what your involvement has meant to me and this school in general.

I have been lucky to watch many of your children grow through their time at Red Wing and move on to high school and for some, beyond. We have also seen many changes to Red Wing PS in our time here together, most of which I am happy with and proud to have played a part in. I also consider myself very lucky to have been surrounded by a supportive and hard working staff as we would not have accomplished anything without them. I look forward to seeing you all in my new role at Carlton Comprehensive Public High School or just out in the community. I hope that we can share a wave, or chat awhile, and keep the lines of communication open that we have developed over the years.

I do believe that with change comes new opportunity and I hope that this group, and the entire school community can enjoy the renewed energy and ideas that can come along with a new Principal to the school. Mrs. Morley will remain to keep an eye on all of you and she has promised to report to me on how this group is doing going forward.

Along with my departure, we are also saying a fond farewell to two teachers who spent the year with us. Ms. Donaldson will be taking on a permanent position at Vincent Massey Public School starting in the fall and Ms. Fehr has similarly decided to move on with her career as well. We wish them both the best in their future and thank them both for their time, energy, and creativity that has gone into their time at Red Wing PS. While Mrs. Ambrose plans to return to Red Wing next year, she will start the year on leave and so we are planning to have Michelle Delurey join us as the Kindergarten teacher in the fall. Michelle comes to us from Queen Mary PS and has years of Kindergarten experience to draw from in her role with us. The Band Director position will see a familiar name returning to Red Wing PS as Andrea Rutz returns to the school after an almost 7-year hiatus. Andrea will return to Red Wing to teach Music/Band, but with a small change from previous appointments to the position. We have decided to move away from the Prairie Winds Band model which saw Red Wing grouped with Christopher Lake and Spruce Home in sharing our Band Director. With this change Red Wing Band will stand separate from those other schools. While the chance for collaborative performances still exists Andrea will split her time between here and her current school, King George PS. I know the passion that Andrea has for Band/Music and for Red Wing and I am very hopeful that this move will provide the consistency that the program has been lacking recently.

With that I will say one more thank you to the entire Red Wing School community and wish you all the best now and in the future.

Take care,

Graham
