Principal's Message

It is indeed a pleasure to welcome you to the 2024-25 school year at Red Wing Public School. The Red Wing Public School Staff accepts into our outstretched arms the most precious commodity anyone can receive, our community's children. We accept this responsibility with humility, vigor, compassion and courage. We pledge to you our passion for the individual security, safety and success of each child. We offer our unfailing desire to serve our students and our community and to give them the necessary skills to become competent problem solvers and outstanding citizens!

What parents value or believe defines what is important to their children. When you value education and believe it is important, so will your children. Our partnership with you in this shared value is critical. Your child's education is our priority! The Red Wing Public School staff, parents, and surrounding community share a common vision.

High quality classroom instruction, students who are highly motivated to learn, a warm and nurturing learning environment, and a supportive and encouraging parent community make Red Wing Public School a wonderful place to learn and work. It is our goal that all students will leave able to read, write, and compute at successful levels that will enable them to experience academic success at the next level and beyond.

To ensure this success, the Red Wing School staff is dedicated to the use of sound instructional practices and high quality instructional materials, including the integration of technology throughout the curriculum. Our instructional programs combine explicit skill instruction, cognitively guided instruction in math, and literacy instruction that is embedded within a meaningful context through the workshop model in reading and writing. Students have the ability to go beyond the "basics," through the use of technology and through an intentional focus on meeting the needs of each individual student.

I am excited to be working with such talented and dedicated staff in a school where parents are supportive of our efforts. Children are our greatest natural resource. We take seriously our responsibility to nourish, protect and develop children to their fullest potential and thank you for your trust in us!

I would like to take this opportunity to welcome the following staff – Mrs. Rutz (Band/Music), Mrs. Delurey (Kindergarten Teacher), and Mrs. Blais (Returning EA). We are pleased to have you join our team to make it even stronger than before!!!

Yours in Education,

Mr. D. Tournier
Principal

Red Wing Band Program

Welcome back! I hope everyone had a great summer and you are ready for another year of music learning and exploring. My name is Mrs. Rutz and I am the Music and Band teacher at Red Wing. I am excited to be working with students at Red Wing and sharing my love of music. I teach K-Grade 4 Music as well as Grade 5-8 Band.

Band this year will consist of Red Wing students only. All students Grades 5 and 6 will be involved in Band and learning an instrument. Students who are in Grades 7 and 8 have the option of choosing Band. Being in band provides students with a wonderful opportunity to learn a new language and expand their learning. It creates life-long learning and enjoyment, connecting learning throughout many different school subjects.

Students will be receiving their band instrument shortly. Students will be working on theory booklets to review/learn new material until they receive their instrument. Our Grade 5 students will take part in our Beginner band clinic happening towards the end of September. Please look for more information later in the month.

As in past years, we will hold a Winter/Christmas concert in December. Please stay tuned for a day and time. All students will be required to participate in the concert. This is a wonderful opportunity for students to showcase what they have learned in their first few months back playing. **If your child rented an instrument over the summer, please have them return it and the method book to Mrs. Rutz as soon as possible.**

I look forward to a musical year with your child. If you have any questions at any time during the year, please phone me at the school, contact me on Edsby or email me at arutz@srsd119.ca.

Have a great year!

Mrs. Rutz

Calling all singers.....

Mrs. Rutz will be starting up a noon hour choir this year. If you are in Grade 2 and up and enjoy singing, come and join us. We will have lots of fun and do lots of singing and some performing too.

I hope to have our first performance during our school's Remembrance Day Assembly. I will be posing a sign-up sheet to see who is interested and then go from there. Information on day/time and grouping of singers will be announced once I see who is interested.

Please listen to announcements for more information.
