## Admin Message

**The Importance of Reading with Your Children** Reading with your children is one of the most impactful ways to support their academic and personal growth. Not only does shared reading time enhance their vocabulary and comprehension skills, but it also fosters a love for storytelling and critical thinking. Regular reading together builds stronger bonds between parents and children, creating cherished moments of connection. By demonstrating the joy and value of reading, you encourage a habit that lasts a lifetime. This month, set aside dedicated time each day to read aloud with your child, explore new genres, or visit the local library for fresh books to spark their imagination. Let's inspire a community of enthusiastic readers!

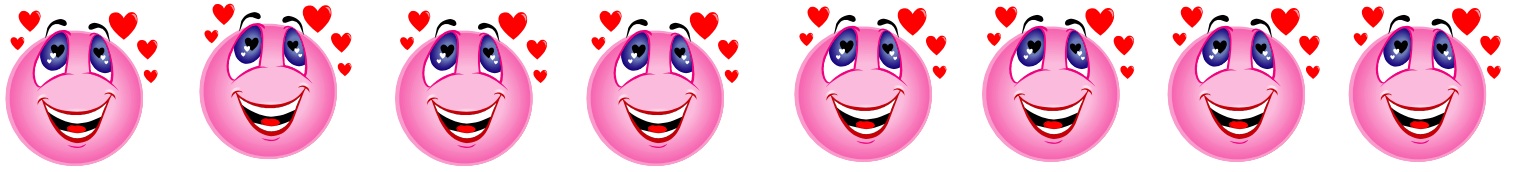

**The Importance of Kindness in February** As the month of February brings Valentine's Day and moments to celebrate love and friendship, it's also a perfect time to emphasize kindness. At Red Wing Public School, we believe in the power of small acts of kindness to transform relationships, foster empathy, and build a stronger, more inclusive community. Encourage your children to look for ways to show kindness each day—whether it's helping a friend, sharing a kind word, or simply smiling at someone who needs it. Let's work together to create a ripple effect of positivity throughout our school and beyond. Kindness is contagious—spread it everywhere!

**Staff Appreciation Week: February 10-14** Join us in celebrating Staff Appreciation Week from February 10-14! This is a special time to recognize the hard work, dedication, and passion our staff bring to Red Wing Public School every day. Whether it's a thank-you note, a small token of appreciation, or simply taking a moment to share words of gratitude, your support means the world to our educators and support staff. Let's come together to make this week truly special for the people who make a difference in our children's lives.

**February Break** A reminder that our February Break will take place the week of February 16. There will be no school during this time, giving families an opportunity to relax, recharge, and enjoy quality time together.

We look forward to seeing everyone back on Monday, February 24, ready to continue a great school year!

Happy Valentines Day  
Mr. Tournier & Mrs. Morley
