Dear Parents and Community Members,

Happy New Year! We hope that the holiday season brought joy, relaxation, and cherished moments with family and friends. As we step into January, we are filled with excitement for the opportunities and learning that 2025 will bring.

This month is already shaping up to be a busy one. We encourage all families to join us for the School Community Council (SCC) meeting on Wednesday, January 15th, at 6:30 PM. Your input and involvement play a crucial role in shaping our school's programs and initiatives.

Friday, January 24th, marks Report Card Day. This is a valuable opportunity to celebrate your child's progress and identify areas for growth. Please take some time to review the report card with your child and set goals for the months ahead. If you have questions or need more information about your child's progress, feel free to reach out to their teacher.

As always, we are committed to working together to create a positive and enriching educational environment for all our students. Your continued support, collaboration, and involvement help make Red Wing Public School a wonderful place to learn and grow.

Thank you for being a part of our vibrant school community. We look forward to an exciting and productive January!

Mr. Tournier & Mrs. Morley

REMINDER
REDWING
PUBLIC SCHOOL IS A
NUT
FREE SCHOOL

STUDENT ACTIVITY FEES ARE NOW DUE
KINDERGARTEN \$15.00
GRADE 1 -8 \$30.00
FEES CAN BE PAID TO SCHOOL CASH ONLINE OR AT THE OFFICE
CASH OR CHEQUE. THESE FEES HELP WITH EXTRA CURRICULAR
ACTIVITIES AND SUPPLIES FOR THE SCHOOL.

Just a reminder to parents and guardians, winter has arrived. Please make sure your child is dressed for the weather. The open fields in the playground make it feel a little colder than it is.

PARENTS AND GUARDIANS PLEASE ENSURE THAT YOUR CHILD HAS A WATER BOTTLE HERE AT SCHOOL. THERE IS A WATER FILLING STATION TO FILL UP WATER BOTTLES ALSO PLEASE ENSURE THEY HAVE UTENSILS WHEN NEEDED FOR YOUR CHILDS LUNCHES.

Exciting Opportunity: Prince Albert and North East Regional Science Fair 2025

Is your child curious about science, technology, or engineering? We are thrilled to invite students to participate in the **Prince Albert and North East Regional Science Fair on Thursday, March 27, 2025**, at the Science Centre in Gateway Mall, Prince Albert.

Many parents may think their child can only participate if their entire class is entering – but that's not the case! **Students can enter the fair individually**, and it's a fantastic way to showcase creativity, innovation, and problem-solving skills.

What to Expect: Participating in the Science Fair is a fun and rewarding experience. Students in **grades 5-12** can showcase projects in various categories, such as math, physical science, life science, computers, and engineering. Projects should follow the fair's safety and ethics guidelines, and **students will need to present their project to a panel of judges** who will evaluate their understanding and creativity. It's a great way to learn presentation skills and dive deeper into subjects that fascinate them.

For students in **grades 7-12**, there's an exciting chance to move on to the **Canada-Wide Science Fair in Fredericton, New Brunswick, from May 31 - June 7, 2025**. While only these grades are eligible for nationals, **all students from grades 5-12 are welcome to join in the regional fun!**

Whether your child is fascinated by math, life sciences, or engineering, there's a place for their ideas at the Science Fair. Let's get creative and have fun with science!
