## Admin Message

Happy June, Red Wing Families!

As we welcome the warmth of summer, we're also reminded of the challenges that come with it. Many communities around us continue to be impacted by wildfires, and our thoughts are with all those affected. We are hoping for rain and relief to come soon for those facing uncertainty during this time. Here at Red Wing School, June brings a mix of excitement, reflection, and celebration. The final weeks of school are always filled with meaningful activities—from field trips and assemblies to farewells and fun days. There is a lot happening, so please be sure to stay informed by checking backpacks for notes and reading messages from classroom teachers.

### Important Year-End Events

We have a number of special events taking place this month:

- **Grade 8 Farewell Ceremony** – Thursday, June 12 at 11:00 a.m. This event is an important milestone as we celebrate our Grade 8 students and all they've achieved. We are proud of their growth and wish them the very best as they move on to high school.
- **Kindergarten Celebration** – Friday, June 13 We look forward to recognizing the incredible progress of our youngest learners. It's always a joyful and heartwarming occasion.
- **Grades 1–8 Awards Ceremony** – Monday, June 23 at 2:15 p.m. This ceremony will celebrate student achievements across a variety of academic and character-focused areas. Families are welcome to attend.
- **Playday for Grades 1–4** – Wednesday, June 25 A fun-filled day of outdoor activities, teamwork, and laughter. It's a great way to wrap up the school year!

### Staff Transitions and Acknowledgments

As we prepare to close out the school year, we also take time to recognize and thank several staff members who will be leaving us or transitioning to new roles.

- **Mrs. Blais (EA)** will be moving to Christopher Lake School in the fall. We extend our heartfelt thanks for her commitment to our students and her many contributions to Red Wing School. Her flexibility and laughter will be missed in our halls!
- **Mrs. Hufnagel (School Social Worker)** will be transferring to PACI, St. Louis, and Wild Rose Schools next year. Thank you, Mrs. Hufnagel, for the care and support you've provided to so many of our students and families. You've made a lasting impact.
- **Mrs. McBeth (Grade 4 Teacher)** will be going on maternity leave this fall. We are excited for her as she begins this new chapter and wish her all the best as she starts her family. Thank you for your dedication to our students.
- **Mrs. Morash** will be transferring to Carlton High School for the 2025–2026 school year. We thank Mrs. Morash for all that she has done for Red Wing School and especially for her leadership with our SLC (Student Leadership Council). Your support and dedication to student voice and school spirit have made a meaningful impact. We wish you all the best in your new role!
- **Mr. Bond** will be transferring to W.J. Berezowsky School this fall. Mr. Bond has been a cornerstone of Red Wing School for the past 10 years. Known for his outstanding work as a Phys. Ed. teacher and his involvement in countless school sports teams, Mr. Bond has made an incredible difference in the lives of students and families. His great sense of humour, leadership, and commitment will be deeply missed. Thank you, Mr. Bond, for the thousands of hours you've devoted to teaching and coaching our students. Red Wing won't be the same without you!
- **Mr. Ksniuk** will be retiring at the end of this school year. We would like to offer a big congratulations on this well-earned milestone. Mr. Ksniuk has kept our school clean, safe, and running smoothly every day. His hard work, reliability, and care for our school community have not gone unnoticed. We hope you enjoy a restful and fulfilling retirement!

We are also looking forward to welcoming new staff in the fall, and we'll be sharing those details in our back-to-school communications.

### Thank You and Best Wishes

As we wrap up the 2024–2025 school year, we want to thank you—students, families, and staff—for your support, resilience, and collaboration. It's been a year of learning, growth, and connection. We are proud of everything our students have achieved and grateful to be part of such a strong and caring school community.

On behalf of Mrs. Morley and myself, we wish all of you a wonderful summer break filled with fun, relaxation, and special memories. We look forward to seeing you again in the fall for another exciting school year.

Warmest regards,

Dwayne Tournier & Sandy Morley

# Farewell

Dear Red Wing Families,

As I prepare to begin my maternity leave, I wanted to take a moment to say thank you! While I'm excited for this next chapter in my life, I'm also incredibly grateful for the relationships and memories I've built at Red Wing School.

It has been such a joy to be part of this wonderful learning community! I will truly miss the daily interactions with both students and staff.

Wishing you all continued success, and thank you again for your support.

Take care,  
Brette McBeth

Red Wing Team, Students and families

I started my career in Alberta and have been an Educational Assistant for 13 years. Three years ago, my family and I moved to Emma Lake. There I had the privilege of working for the Saskatchewan River School Division. For the past two years, I have had temporary contracts at Red Wing School. It has been a privilege working with such a welcoming and supportive team, students, and family members that I got a chance to share a smile or say hello or a chat. I will cherish the many memories that I was blessed to share with the staff and students that I had the opportunity to support. For the upcoming school year, I will be moving to Christopher Lake Public with a permanent full-time position. As I move on to the next chapter, I would like to wish the team, students, and families of Red Wing all the best for the future and have a safe and healthy summer break.

After ten wonderful years at Red Wing, I'm excited to begin a new adventure at W.J. Berezowsky School. My time here has been nothing short of incredible. I've grown as a teacher, learned alongside amazing students, worked with inspiring colleagues, and had the privilege of being part of a truly special school community. These past ten years have marked many milestones for me—starting my career as an eager first-year teacher, completing my Master's in Educational Administration at the U of S, navigating the challenges of teaching through a global pandemic, getting married to my incredible wife, and welcoming two beautiful children into the world. Through it all, Red Wing has been a constant source of support, encouragement, and joy. I'll always cherish the memories and relationships built here. I feel incredibly fortunate to have crossed paths with so many students, families, and staff who have made this journey so meaningful. To my Red Wing kids: I look forward to hearing about your successes as you continue to grow, explore, and make your mark on the world. I wish all of you health, happiness, and a future filled with love and support from the people around you.

With immense gratitude,  
Dan Bond

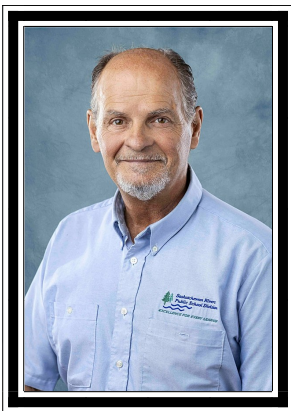

I have so many great memories from the past six years at Red Wing. Getting to know the kids and seeing them grow as learners and as people has been very rewarding for me. I enjoyed being a part of the Student Leadership Council and helping with spirit days, assemblies, and fundraising. While I was the Dream Catcher Coach, my favorite memory was blaring music as I dropped off prizes to classes who had reached their Math goals. The adults working in this building are amazing people who have been a great team to work with. I will miss being a part of this wonderful school community.

Gail Morash

As the school year wraps up, I want to say a heartfelt goodbye. These past two years at Red Wing have been full of growth, laughter, and meaningful connections. Working alongside such dedicated staff, supportive families, and inspiring students has been an unforgettable experience. I've truly enjoyed being part of this wonderful community and will always be grateful for the memories made. Wishing you all a joyful, restful summer and continued success in the years ahead.

So long song, 42 years to be exact

I was born on March 15, 1963, "beware the ides of March"! Andrew and Helen Ksnyiuk were my loving parents, These fine people, along with five brothers all helped to run a large mixed farm near MacDowell. All my life I loved to play soccer and was lucky enough to play in four national finals, while in 2002, my last competitive team from 1976, the Prince Albert Celtics, were inducted into the cities Sports Hall of Fame for being the founding team. For this I am honored to have played with so many fine players. I played recreational until recently. I met the love of my life Marilyn Hrischuk in 1979, and was fortunate enough to have proposed on a mountain top in an actual cloud during a ski trip in 1983, and were married on June 30<sup>th</sup>, 1984. We flew to Hawaii for our honeymoon in 1985 in a 747 and was afforded a brief visit into the flightdeck. Not possible these days. While there, I did some big-wave surfing, which was nearly the end of me. I bought a catamaran in 1986 and loved sailing it on the roughest of waters at Candle Lake, where we both loved to visit since kids. In 1994, we had our first child, a lovely girl we named Samara Nichole, who now runs her own company SK Drafting and Design based in the city. In 1997, we had our second child, Super young man Marec Nicholas, who is journeyman carpenter working for Lanny's Construction in the city. I began working with the Sask Rivers School Division in 1980 as a summer student prior to Graduating from Carlton. We helped to renovate the Prince Edward School to the amazing facility of our division office. We also built the maintenance shop. Upon my graduation I began my 42 year Caretaker career with the school division and have spent my last three years with the amazing staff at Red Wing School. I will miss all the funny things kids say and the wonderful and meaningful relationships with so many staff throughout the years.

Now you will find me getting into shape through mountain biking while our 140lb Pyrenees 'Baxter' runs along the countless Nesbit Forest trails near our acreage. To everyone I say, "life is short, time truly flies, take nothing for granted because even the toughest days are a learning experience, making the amazing days we get even so much brighter"

Perry Joseph Ksnyiuk

All School Community Members

Welcome

## **STUDENT PLACEMENT AT RED WING**

**The process of placing students in classes for the upcoming school year is done with great care. Families often request teachers but as you can imagine, honoring all these requests would be impossible to balance classes. It is critical to ensure that each child is well-matched with a competent teacher and trust each class is balanced in terms of overall size, gender, diversity, complex needs, and other factors.**

**We place great value on parent input about their child's personality, preferences, and learning needs. However, we do not accept or honor requests for specific teachers. In order to ensure that each class is appropriately balanced, we have made class placement a staff decision, based on extensive discussion of each student. We also strive to ensure that each child is placed in a class with at least a few friends, while placing specific friends is appealing for a variety of reasons, it is not always possible.**

**In August , you may see your child's class placement for the 2025-2026 school year on EDSBY and we will not be making changes to class lists after they are published on EDSBY, unless a change in enrollment or staffing makes it necessary to re-balance the classes.**

## SCHOOL ACTIVITY FEES

**IF YOU HAVE NOT PAID YOUR CHILD'S FEES PLEASE DO SO WE HAVE A LOT OF YEAR END TRIPS THAT BECOME VERY COSTLY. THESE FEES HELP OUT SO WE DON'T HAVE TO ENDURE A FEE ON THE FAMILIES. CASH OR CHEQUE CAN BE SENT TO THE OFFICE OR PAY SCHOOL CASH ONLINE.**

**To parents and guardians. Just a friendly reminder for students that are returning in the fall. On the first day of school, a registration form will be sent home. The online registration form is specifically for new kindergarten students and new students that will be attending Red Wing Public School next year.**

### Important Information About the School Bus

Any students needing the school bus this fall must be registered. It only takes 2 to 3 minutes and is very easy to do! Registrations do not have to be done every year, but a student must be re-registered if their information (such as school, address or contact info) is changing. If you are not sure if you already have registered, please give us a call at the number below or simply register again. Doing so now will ensure your child is placed on the proper bus for the first day of school. Not registering on time could delay having your child assigned a bus several days into the new school year.

Click here <https://www3.srsd119.ca/busgarage/transport/request.php> or you can simply type "Sask Rivers School Division" or "SRSD119" in a search engine (we recommend Google). Scrolling down you should find the "Transportation" section with some helpful tools like a bus notification set up and, of course, the "School Busing Request Form".

If you have any questions please contact the Transportation Department at 306 763-2323.

Thank you,  
Ryan Bruce, Manager of Transportation

**Christina's Art School  
new registrations start  
June 1st for openings in  
the Fall!**

Starting June 1st, we are taking New Student registrations for openings for our year-long art classes which start in September. Whether they develop their love of drawing and art into a hobby or it's their launch into a secondary school and a career, the skills they acquire will be with them for life! Many develop portfolios for related fields such as Architecture, Graphic Design, etc.) Classes include a year end Field Trip as well a Year-End Art Show which you can check out over the summer at 625 Branion Drive. Register at [www.christinathoen.com](http://www.christinathoen.com) & see Christina's Art School on Facebook or Instagram, or phone Christina Thoen , Certified Teacher (Art Major) at (306)961-3350 for more information.
