Admin Message

Dear Parents and Community Members,

On behalf of the administration, we would like to extend a warm welcome back to another exciting school year at Red Wing Public School. We are looking forward to working together to make this a successful year of learning, growth, and community connection.

This year, we are pleased to welcome six new staff members and three teacher interns to the Red Wing team. Their energy and talents will be a wonderful addition to our school, and we are excited for the positive impact they will have on our students.

As always, communication is key to a strong school community. We truly appreciate when parents reach out to us directly with questions, concerns, or ideas. Working together ensures that we can provide the best possible learning environment for every child.

Let's continue to support one another, celebrate our successes, and keep Red Wing a place where students, families, and staff feel connected and valued.

We're looking forward to a fantastic year ahead!

Mr. Tournier & Mrs. Morley

WELCOME

My name is Joey Kaufhold, I am very excited to be joining the Red Wing School and community this year. I have spent the last 15 years teaching in Big River, Christopher Lake and at Riverside School. I look forward to meeting you and your child this coming school year.

I will be teaching Physical Education grades 3-8 as well as grade 6 Science and Social Studies. You will find me coaching a variety of school sports this year.

My wife Katie and I have 3 boys ages 7, 11 and 15. They keep us busy through hockey and football throughout the year. My passions are coaching, golfing and anything outdoors. Our family spends as much time hiking, camping and at the lake as possible. If you ever have any questions, please feel free to contact me through the school. I look forward to the upcoming school year.

Mr. Kaufhold

Mrs. Leah Robinson is excited to be joining Red Wing School as the new Grade 3 teacher. She is passionate about building strong relationships with her students and creating a positive, inclusive classroom where every child feels they belong and can thrive. She looks forward to a year filled with engaging projects, meaningful learning, and working together with families to support both academic growth and community connection.

Mrs. L Robinson

Katherine is married with one son and a large dog, Max. Her Favorite things to do are read and play music. Prior to teaching, she worked in the museum sector, with roles ranging from public programming, exhibition design, and administration.

Mrs. K Shantz

WELCOME

My name is Mr. Davis, and this is my first year at Red Wing! I am super excited to be teaching Grade 8. I am interested in outdoor learning and will be teaching most homeroom classes. I am interested in playing sports, relaxing with family, or chatting with friends. When I am not teaching, you will most likely find me playing basketball or on the golf course. I spend my summers at the lake and am always interested in hearing fun facts!

My name is Kelsey Shouse, the new school social worker. I've lived in Prince Albert for 8 years now, and have a cat named Monica and a dog named Dante! I love spending time at the lake with family and friends. I'm looking forward to meeting all the staff and students at Red Wing this year!

Thanks!

Kelsey

Hi, my name is Miss Kolosa, I am joining Ms. Pocha's classroom for the next 4 months for my practicum as I finish up my last year of education! I am excited to be a part of the redwing community, connect with the students, staff and families!

WELCOME

Hi! My name is Mr. Acorn, and I'm student teaching in the Grade 6 class with Ms. Fleury for the next four months. I'm originally from Prince Albert and currently completing my fourth-year practicum through SUNTEP Prince Albert. I'm looking forward to learning from the staff and being part of the Red Wing community.

Matt

This final chapter of my SUNTEP studies presents the delightful challenge of a Grade 4/5 split classroom, a venture I am eager to embrace with both dedication and heart. Beyond the classroom, my spirit finds its sanctuary at home, enriched by my wife and my two golden retrievers, Buster and Lennon. Often, I find myself making noise rather than music on my guitar, a new hobby I've been interested in.

Thanks,

Cameron Berg

I'm Danny Bolotniuk, the caretaker at Red Wing School with 15 years experience. I have lived in the R.M. of Buckland for many years, I enjoy hockey, baseball and time at the lake.

Mr. Bolotniuk
