# Administrator's Message

As we move into the month of February, we would like to take a moment to thank our school community for the continued support, involvement, and positive energy you bring to our school each day. It truly makes a difference for our students.

A sincere thank you goes out to the many new School Community Council (SCC) members who attended our meeting on the cold evening of January 21st. We appreciate your willingness to be involved and to work alongside the school in supporting student learning and well-being. We are also very grateful to the parents and volunteers who helped us celebrate Family Literacy Day on January 27 with our Smoothie Day. It was a fun, engaging, and meaningful way to promote literacy while bringing our school community together. On January 28th, students had the opportunity to enjoy the Shivering Strings Fiddle Show, which was a wonderful cultural experience and thoroughly enjoyed by all.

Looking ahead to February, we have several exciting events planned for our students. On February 6th, students in Grades 6–8 will enjoy a movie afternoon as part of their Walkathon incentive. On February 11th, all Grade 8 students will take part in a tour of Carlton High School in the morning, giving them an opportunity to become familiar with the school and ask questions as they prepare for the next stage of their educational journey. On February 12th, students in Kindergarten to Grade 5 will be treated to a Gym Blast in the afternoon, also as part of our Walkathon incentives. These activities are a way to celebrate the effort, teamwork, and school spirit shown by our students during the Walkathon.

As a reminder, February Break will take place the week of February 15th. We hope this provides families with time to rest, recharge, and enjoy time together.

Thank you once again for your ongoing support and partnership. By continuing to work together as a team, school and home, we can help raise each student to be a responsible, empathetic, and loving individual.

MR.TOURNIER & MRS. MORLEY

We strive to build authentic and respectful relationships with staff, students, families, and the community.

We are dedicated to creating a space where all will :  
-feel safe  
-be engaged and find joy in the learning process  
-feel their culture is affirmed

We hold high expectations for all students and are dedicated to supporting them through their individual journey to success.

## Student Absenteeism & Tardiness

Thank you parents/guardians for calling the office when your child will be absent. When a student is late it interferes with the teacher's ability to conduct the class and the ability of other students to benefit from the instruction. If your child will be late or absent, please use Edsby or call the school prior to 8:45 a.m. PARENTS AND GUARDIANS IF ANY INFORMATION HAS CHANGED PLEASE CALL THE SCHOOL TO UPDATE INFORMATION
