# Administrator's Message

## Happy New Year from Red Wing Public School!

As we begin 2026, the administrative team would like to extend warm wishes to all our families and community members. We hope the holiday season brought joy, rest, and time with loved ones.

December was a wonderfully busy and rewarding month at Red Wing School. Our **Band Concert and Family Fun Night** was a tremendous success—it was truly heartwarming to see so many families join us for an evening of music, activities, and connection. While the wagon rides were unfortunately cancelled due to the weather, we sincerely appreciate **Bison Ridge Farms** for generously offering their wagon and time in support of the event.

We also hosted our **2nd Annual Christmas Luncheon**, and once again it was a highlight of the season. Thank you to the many gracious families who donated Christmas baking—your kindness filled both our trays and our hearts. In addition, we extend our sincere appreciation to those who helped make the luncheon possible through generous contributions: **The Lemieux Family, M&M Lumber, One Stop, and Superstore**. We would also like to recognize our Grade 8 students for helping prepare portions of the meal and **Mr. Ryan Hurd** for organizing this wonderful event. Your efforts brought our school community together in a meaningful and festive way.

This year's **"Tree of Memory" fundraiser** for the Rose Garden Hospice was another remarkable success. Thanks to the generosity of our families, we raised **\$250** in support of the hospice. We are incredibly proud of our school community for contributing to such an important cause.

Looking ahead February, we are excited to wrap up our Walkathon student incentives with a **Gymblast/Movie event**.

- **On February 6th, students in Grades 6 to 8 will enjoy a special movie day.**
- **On February 12th, students in Kindergarten to Grade 5 will take part in a high-energy Gymblast.**

We would also like to remind everyone that our next **SCC meeting** will take place on **January 21st at 6:30 p.m.** We warmly encourage new community members to join. Superintendent **Tebay** will be present to explain the role of the SCC and answer any questions. We are excited to welcome new faces, ideas, and positive energy to the group.

Thank you to all our families for your continued support of Red Wing Public School. We are grateful for the partnerships, encouragement, and community spirit that make our school such a wonderful place to learn and grow.

Wishing you all a **Happy New Year** filled with health, happiness, and success.

Mr. Tournier & Mrs. Morley

## Red Wing Public School Vision

Our school shares a vision of success for all students.

We strive to build authentic and respectful relationships with staff, students, families, and the community.

We are dedicated to creating a space where all will:  
-feel safe  
-be engaged and find joy in the learning process  
-feel their culture is affirmed

We hold high expectations for all students and are dedicated to supporting them through their individual journey to success.

## Safe School

We are a **SAFE SCHOOL** when dropping off and picking up your child please obey the school speed limit in parking lot 30klm.

Also students should not be dropped off till 8:30 am no supervision till then.

If you have any questions  
please contact the  
Transportation  
Department 306-763-2323

## Student Absenteeism & Tardiness

Thank you parents/guardians for calling the office when your child will be absent. When a student is late it interferes with the teacher's ability to conduct the class and the ability of other students to benefit from the instruction. If your child will be late or absent, please use Edsby or call the school prior to 8:45 a.m.

# Our new Student Engagement Center

is a supportive space where Mrs. Seitsonen, our Classroom Support Coach, works with students to strengthen important executive functioning skills. Through targeted activities and coaching, students learn strategies that help them stay organized, manage their emotions, and remain focused on learning. Building these skills empowers students to become more independent, confident, and successful both in and out of the classroom.
