Vision

Our school shares a vision of success for all students.

We strive to build authentic and respectful relationships with staff, students, families, and the community.

We are dedicated to creating a space where all will:

- feel safe
- be engaged and find joy in the learning process
- feel their culture is affirmed

We hold high expectations for all students and are dedicated to supporting them through their individual journey to success.

As we head into May, it's hard to believe how quickly the school year is flying by. This is always a busy and exciting time in our school, filled with learning, activities, and opportunities for students to shine both inside and outside the classroom.

Our students continue to demonstrate growth, resilience, and a commitment to their learning, and we are proud of the effort we see each day. With warmer weather arriving, we look forward to spending more time outdoors and taking advantage of the many learning opportunities that spring provides.

May also brings a number of special events and activities. From classroom projects and field experiences to school-wide events, there is much to look forward to. We encourage families to stay connected by checking school communications regularly so you don't miss out on important dates and celebrations.

As we enter the final stretch of the school year, attendance and consistent routines remain very important. Every day of learning counts, and your support at home makes a significant difference in helping students finish the year strong.

Thank you for your continued support of our school community. We appreciate the partnership we share with our families and look forward to a great month ahead.

Wishing everyone a wonderful May!

MR. TOURNIER & MRS. MORLEY

STUDENT FEES 2025-2026

Kindergarten \$15.00

Gr1-Gr8 \$30.00

Edsby makes it easy for parents to observe all of the things that are happening in our classroom. From time to time, we will post grades, notes, pictures, videos, or audio clips of your child learning at school. This will help you see the progress your child is making in their learning journey.

**Tired of getting attendance calls from the school?
Enable Edsby notifications and have the ability to mark your child absent and receive notifications of absences via email**

Student Absenteeism & Tardiness

Thank you parents/guardians for calling the office when your child will be absent. When a student is late it interferes with the teacher's ability to conduct the class and the ability of other students to benefit from the instruction. If your child will be late or absent, please use Edsby or call the school prior to 8:45 a.m.

PARENTS AND GUARDIANS IF ANY INFORMATION HAS CHANGED PLEASE CALL THE SCHOOL TO UPDATE INFORMATION

Red Wing Band Events

There are lots of great things happening in our Band room this time of year. Please take note of the events that are happening for your child(ren). All of these opportunities are for students to enrich their music lives and enjoy making music together.

Grade 7/8 Band students have just returned from Edmonton. They participated in a number of music experiences including a tour of the Winspear Centre and Canada's largest Pipe Organ, symphony concert of The Planets, band clinic with the director of the Cosmopolitan Music Society and of course some fun activities.
